## Penthouse

Penthouse apartments in Rocca Towers are made unique by nearly 5.9 m high ceilings and windows that reach to greater heights. These homes exceed expectations. Floors are covered with premium quality natural oak parquet trimmed by respectable floor molding. Bathroom walls boast large ceramic tiles with a timeless marble pattern, accented by ultra-modern Hansgrohe faucets and mixers with a brushed black finish. Bathroom ceramics as well as sink cabinets and LED lighted mirrors come from Laufen, a Swiss manufacturer.
