Rocca Towersi kodudes katab põrandaid kõrge kvaliteediga 1-lipiline tammeparkett. Duširuumide seintel ja põrandal on betooni mustriga suureformaadilised keraamilised plaadid, millele annavad iseloomu moodsa joonega kvaliteetne sanitaartechnika Hansgrohe valikust ning Šveitsi tootja Laufen peene joonega valamud.
